Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years. This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You are warmly generous and always gracious with others. You have an innate sense of playfulness and self-discovery that endears you to all who come to know you. You will always have a bit of the child about you, and you tend to require considerable attention from a mate. Anyone who gets to know you knows that you take yourself ever so seriously. You prefer a mate with great ambitions and plans, who dares to dream the impossible dream! You benefit from being drawn out of yourself by someone with less self-consciousness. Above all, you really value a close friend -- especially in a lover. You are attracted to visionaries with broad humanitarian goals.

Aquarius on 7th Cusp

You love the oddball and the unfettered. You may be drawn to social visionaries and to unconventional types in general -- a taste for the bohemian. You may have many unusual relationships of short duration. There is an on-again, off-again, quality to your affairs. You depend on relationships for insights into yourself and your life.

Uranus Ruler of 7th

Report for Camilla **Strengths in your relationships**

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Conjunction Venus (orb: 00 29')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

Mars Sextile Pluto (orb: 01 06')

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

Mars Sextile Saturn (orb: 01 20')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 02 13')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Trine Neptune (orb: 03 03')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 03 53')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Trine Jupiter (orb: 06 06')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Trine Jupiter (orb: 07 07')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Trine Jupiter (orb: 07 36')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Challenges in your relationships

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Square Neptune (orb: 01 52')

Everyone who comes to know you will remark on your high ideals. You are indeed a beautiful soul, and you probably suffer many disappointments. Friends may see you as unrealistic and otherworldly, afraid to put your dreams to the bitter test of life and actuality. Those close to you may feel that your continual disappointments are a deception on your part, a refusal to face life.

Venus Square Neptune (orb: 02 21')

Report for Camilla Your Relationship with Charles

You find Charles supportive when it comes to matters of your career. She understands where you are headed and how it is best to go about developing your practical and vocational side. With her help, you can make great strides in your managerial ability. She has an instinctual sense of your capabilities (of what you would do best) and she can't help but nurture you in these matters. She might be instrumental in getting you out of the closet and into the public eye.

Her Moon in Your Tenth House

Meeting Charles has had a grounding effect on you. Knowing her has been a real experience, and you have had to let yourself feel that experience. There is this sense of the two of you feeling through life together -- living it. Not a whole lot of reflection perhaps. This is a relationship that you could build upon. It marks the start of something solid in yourself. Charles brings out the homing instinct in you, or you could benefit materially from knowing her.

Her Sun in Your Fourth House

You may get together with Charles to talk about home and family, and sending down roots. Her ideas are down-to-earth and settling, and you find this a relief from all the jet-set kind of conversation that is the norm. She seems almost like a family member, and you feel good when the two of you are together. She always manages to remind you of the virtues of a simple life, without all the fancy stuff. You may learn of property or housing arrangements through her.

Her Mercury in Your Fourth House

She seems to appreciate your more domestic and homey qualities. She likes the way you feel, physically and emotionally. Charles tends to bring out the parent or protector in you and tends to banish your thoughts of coolness and distance. You have thoughts of home life and domesticity when you are with her. The idea of putting down roots, settling down, and just living life takes on value through knowing her.

Her Venus in Your Fourth House

Charles is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good sex to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with her. There is the danger of too much of a good thing. The whole thing could get a little self-centered.

Her Mars in Your Fifth House

Charles tends to lead you out of yourself, and urges you to make greater efforts, to reach out and express yourself. You may overdo. Certainly she is a key person as regarding how you view and feel about yourself. Through her you have come to experience more confidence and happiness. You are proud to be with her and, most of all, she is just fun to be with. Children and animals are two things you share. There may be a

tendency to spend all at once. You feel creative and artistic around her.

Her Jupiter in Your Fifth House

This could be an expensive relationship, for Charles can't help but put your resources to the test. She may not value you to the degree that you would like her to, or she may not respond to what you feel are your better qualities. This can leave you feeling cold and disappointed. The charm that others may find intriguing is wasted on her. This is not to say that this will not be a worthwhile relationship, but it will not be supportive in any normal sense of that word.

Her Saturn in Your Second House

Charles has the capacity for introducing you to radically new goals and groups of people. Perhaps through her you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. She has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. She is anything but boring.

Her Uranus in Your Eleventh House

You share a sense of the unity of life, and this could mean a very happy, almost dreamy domestic scene. There is a tendency to lose yourself in dreams and fantasies, so strong is your imagination when you are together. You could make very beautiful music together. You may have to be a little careful not to get carried away with all of this and neglect your responsibilities (the details of life).

Her Neptune in Your Fourth House

You found Charles intense and direct from the start. Here is someone you just can't ignore. This can be a very exciting relationship. You feel she can look into inner secrets and will not hesitate to challenge you. Conversations tend to be deep and turbulent. You may find yourself going through major changes through knowing her. There may be a struggle for control or power.

Strengths in your relationship with Charles

This is an easygoing relationship with plenty of give and take on both sides and very little friction. There is a tendency to identify with one another, and you both have a great deal in common.

Your Sun Trine Her Sun (orb: 01 22')

You find it easy to talk to (sometimes at) Charles, and you think about her a lot. She encourages you mentally, and may support some communication project you are involved in -- speaking, writing, etc.

Your Mercury Trine Her Sun (orb: 02 30')

The two of you may have a strong interest in the arts, music, and film. This could be a business relationship. Your emotional rapport may have an almost otherworldly quality about it. You could be a very moving force as a team when it comes to matters pertaining to the imagination, psychology, metaphysics, etc.

Your Mars Trine Her Neptune (orb: 02 51')

She finds you very supportive and easy to talk to. Charles has a knack for understanding how you feel about something, putting your feelings into words that make sense to you. You might find yourself encouraging mental pursuits on her part -- writing, speaking, communications.

Your Moon Trine Her Mercury (orb: 03 08')

You find Charles's way of thinking and speaking just to your taste. You have a natural sense of appreciation for her mind and the way she communicates. She has a knack for putting your own ideals and values into words. You probably have fantastic conversations.

Your Venus Trine Her Mercury (orb: 03 37')

This is a good working relationship. Charles tends to bring a real sense of discipline and order into your life. You feel like making a sustained effort when you are with her. You can't help but support her sense for organization and order.

Your Moon Sextile Her Saturn (orb: 04 50')

She loves the way you act and come on. Your basic energy and motivation appeals to her. You may find yourself on stage and performing for her. This makes for lots of fun and great romance.

Your Mars Trine Her Venus (orb: 05 06')

Report for Camilla

Challenges in your relationship with Charles

She doesn't appreciate the way your mind works. Your words are wasted on her. You may find yourself being mentally critical of her ideals and sense of values. She doesn't like the way you think.

Your Mercury Square Her Venus (orb: 03 32')

There is this sense of the unromantic. She may feel that you don't value her ideals and don't support her dreams. You may find her unrealistic and may not appreciate "escapism" on her part.

Your Venus Square Her Neptune (orb: 03 33')

You won't support what you feel are unrealistic notions and fantasies on her part. Her escapism does nothing for you. You feel she should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

Your Moon Square Her Neptune (orb: 04 02')

Problems could arise from Charles's feeling that you have no sympathy for her dreams and ideals -- her more imaginative side. Perhaps you just refuse to discuss these aspects of life with her. Whatever happens, it makes for some disappointing situations. You may not be able to think clearly when you are together.

Your Mercury Square Her Neptune (orb: 05 47')

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

Your Venus Square Her Venus (orb: 05 48')

You may feel that her attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering her neat little universe from time to time. You feel repressed by her.

Your Mars Square Her Saturn (orb: 06 01')

She may not appreciate your feelings and emotions, and may not like your moods. You may tend to ignore her values and ideals and take them too lightly. She senses that you may not support her sense of values. There could be a kind of cold war going on.

Your Moon Square Her Venus (orb: 06 17')

You find that it is easy for you to hurt her feelings, or she takes offense easily, with the result that she is not always as supportive of you as you might wish. You both waste a lot of time holding out against the other. You may feel that she ignores you.

Your Sun Square Her Moon (orb: 06 38')

You may feel that Charles may not always appreciate you enough and that she purposely doesn't give credit where credit is due. You may act and do things that go against her set of values.

Your Sun Square Her Venus (orb: 07 25')

She may feel that you don't take her ideals seriously enough, and that you discount her more imaginative and creative side. You may feel that she is unrealistic, only fooling herself, and is always getting carried away with one thing or another. There could be deception.

Your Sun Square Her Neptune (orb: 09 40')

Uranus Ruler of 7th

Report for Charles **Strengths in your relationships**

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

Venus Sextile Pluto (orb: 00 11')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Sextile Uranus (orb: 00 30')

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Trine Jupiter (orb: 00 32')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 01 41')

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Conjunction Neptune (orb: 02 15')

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands

in the real stuff of life, blood and all.

Mars Trine Pluto (orb: 04 23')

A born lover. You feel right at home with your emotions, and others can't help but remark at your bright, cheery attitude. People like to be around you because you are very expressive and always quick to reveal when you like someone or something. You seldom hide what you are feeling. A love relationship is a real necessity for you and you seldom are without one. You are at home with your sexuality.

Venus Sextile Mars (orb: 04 34')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Trine Saturn (orb: 04 50')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 07 02')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Challenges in your relationships

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

Sun Square Pluto (orb: 05 52')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Opposition Mercury (orb: 06 32')

Report for Charles Your Relationship with Camilla

In Camilla you sense that here is someone who instinctively understands and is supportive of your deepest hopes and dreams -- all that is best in you. You were probably good friends right from the start, and this friendship may be more important to you than any love relationship that develops. You both could be part of a group or a cause, and matters of conscience and ideals are something that you both can get behind. When you are with him, your more altruistic ambitions and aims seem to come to the fore.

His Moon in Your Eleventh House

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is Camilla. He has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with him that they are not worth the hassle. He really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

His Sun in Your Twelfth House

You probably have some very unusual communication with Camilla. He is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with him. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. He tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

His Mercury in Your Twelfth House

Camilla may have been attracted to you because of the friends and acquaintances you have. He values shared goals and common ties, in particular if they have some kind of moral or humanitarian purpose. You may work and live together as part of a project or community. You may be just friends and never lovers. He has a sense of your hopes and dreams, and loves you for them. He finds your friends uplifting and worthwhile.

His Venus in Your Eleventh House

He tends to be gung-ho when it comes to community affairs and group projects, a real driving wheel. He loves to bring friends together and get everyone motivated. He manages to get you involved in all kinds of group-related affairs that you might not otherwise try. He may sometimes drive everyone a little mad with his ambition and idealism. He has the best intentions in the world.

His Mars in Your Eleventh House

He tends to lead you away from the bright lights, and shows you the value of home, family, and security. Camilla does not force this upon you. Through him you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. He is the key to your discovering these qualities in yourself. You

may love to cuddle up together and count the blessings of a peaceful homestead-like existence.

His Jupiter in Your Fourth House

A more serious relationship than others. There could be almost a parental tone, for he can't help but function as an authority figure of one sort or another. You may feel that he is a party pooper, tends to stifle how you come across, and puts restrictions on you. There is sure to be a strong effect when the two of you get together. At the very least, he will serve to temper and shape your approach to life. A good tie if you need discipline.

His Saturn in Your First House

Camilla has the capacity for introducing you to radically new goals and groups of people. Perhaps through him you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. He has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. He is anything but boring.

His Uranus in Your Eleventh House

I am sure both of you wax poetic when you're together. Your imagination is in top form and you seem to rise to the occasion and find just the right words. There is an almost dreamy or unworldly quality about your communications. You get carried away very easily and may sometimes wonder if there is a tendency for you each to delude the other. Who cares? It's just like in the movies!

His Neptune in Your Third House

You found Camilla intense and direct from the start. Here is someone you just can't ignore. This can be a very exciting relationship. You feel he can look into inner secrets and will not hesitate to challenge you. Conversations tend to be deep and turbulent. You may find yourself going through major changes through knowing him. There may be a struggle for control or power.
